## Community Garage Sales Signup Sheet

The Attica Historical Society is still in the process of updating the organization. Our traditional initiative is organizing the Attica Community Garage Sales. The community-wide, *rain-or-shine*, event will be May 16-18, 2024. Anyone may participate on one, two, or all three days as you wish. The Seneca East Public Library has graciously agreed to help. To be included on the map, please provide the following information by the deadline of May 6.

**DONATIONS:** The Attica Historical Society appreciates your help to promote an active community event as we continue to restructure the organization. Anyone wanting to help may **DONATE \$10.00** (or an amount of your choice) for participation in the community garage sales. Your \$10.00 donation includes ten maps to give out at your sale and a complimentary garage sale yard sign, while supplies last.

**2024 DATES: May 16, 17, & 18**
