

Attica Historical Society

Community Garage Sales Signup Sheet

The Attica Historical Society is in the process of transition and updating. As one of the first initiatives, we are organizing the Attica Community Garage Sales to provide the **2023 Attica community-wide, rain-or-shine garage sales event on May 18, 19, and 20**. Anyone may participate on one, two, or all three days as you wish.

The Seneca East Public Library has graciously agreed to help. Please provide the following **by May 1** to give us enough time to compile the information and have the garage sales maps ready:

- Name _____
- Address _____

- Phone number (for organizers to contact with questions if any) _____
- List of general descriptions of items for sale (examples, household goods, books, kitchen supplies, exercise equipment, tools, etc.)
 - _____
 - _____
 - _____
 - _____
 - _____
 - _____
- Date(s) and times for sale _____

The information above may also be emailed to atticaareahistoricalociety@gmail.com .

The Attica Historical Society appreciates the opportunity to be an active, vital community organization and appreciates your patience while we revitalize and restructure the organization to continue preserving Attica's rich and important history. Anyone wanting to help may donate \$5 or \$10 (or an amount of your choice) at the library for participation in the garage sales. There are a limited number of complimentary garage sale yard signs for \$10 or more donations. If information is provided by email, a donation may be dropped off at the library with a copy of the sent email, or check/money orders may be sent to The Attica Historical Society at 14 1/2 N. Main St., Attica, Ohio 44807.

Once we have all of the information collected, maps with the garage sales information will be available for pickup at the library and online at <https://senecaeastlibrary.org/community/attica-area-historical-society> and posted on Attica Ohio Baby Boomers Facebook group page. The Attica Historical Society thanks you deeply for your consideration and support. If you have any questions, please email the address above or call 440-823-1508.
